Quality Assurance and Ethical Considerations:

(Briefly describe how you ensured the quality and ethical use of AI)

Quality Check: I reviewed the AI-generated explanations, compared them with my actual Python code and script output, and adjusted the wording to match what my program really does.

Ethical Use: I used AI only to help me organize, explain, and refine my own work. I kept the final presentation based on my own understanding and my own project contribution.

Reflection on AI Usage:

(Briefly reflect on your experience using AI)

Reflection: AI helped me make my presentation script clearer and easier to explain. It also helped me organize my ideas and describe the output of my code more confidently.
